It would be ideal if you could schedule something on Jan. 14, 15 or 16. That will be after Sylvia, Mike and David go with the State to meet with industry in Bakersfield on Jan. 13 and before our next meeting with the State on Jan. 21.

You should probably schedule around their availability, since I will be in Atlanta. But I would like to participate as possible, so here are my best options: On Jan. 14, I could phone in at 3:00 PST or after. On Jan. 15, I could phone in anytime after 10:00 am PST. On Jan. 16, I would need to do first thing when Jared gets in because I will be in transit after that.

Thanks!

I don't see any in January. Should I schedule?

Abi, please cancel this since we just talked with Jared on Dec. 15 and 18. There won't be anything new on Dec. 29, and Mike, David and I will all be on leave. I think you scheduled this in response to his request for biweekly updates, so if you scheduled any in 2015, please replace Kathleen's name with Sylvia's. Thanks, Jane
